Candle holder Oblique, set of 3
*Stainless steel*
8116070

Oblique is an impressive showcase of Dutch Design with materials and shapes that blend perfectly with the latest trends in interior design. The selected materials of stainless steel, glass and sandstone resin are a perfect response to the latest contemporary interior fashion. The satin finish makes for a tough, young look that will appeal to a broad swathe of consumers. All objects are asymmetrically shaped, which gives Oblique a special edge.
